

A black and white line drawing of a space scene. In the center, a rocket ship is launching upwards, leaving a large, stylized flame trail. Surrounding the rocket are various celestial bodies: a crescent moon with a smiling face in the top left, a ringed planet like Saturn in the top right, and several other planets with different patterns (stripes, spots). Numerous five-pointed stars and small circles representing distant stars are scattered throughout the background. At the bottom, there are stylized, swirling clouds. The word "FREE" is written in large, bold, outlined letters across the middle of the image, partially overlapping the rocket and the clouds.
