

A black and white line drawing of a space scene. In the center, a rocket ship is launching upwards, leaving a large, stylized trail of flames and smoke. The word "WAZEL" is written in large, bold, outlined letters across the middle of the image, partially overlapping the rocket's trail. The background is filled with various celestial objects: a crescent moon with a smiling face in the top left; a planet with horizontal stripes in the top right; a ringed planet (like Saturn) in the top right; a planet with horizontal stripes in the middle right; a planet with vertical stripes in the bottom left; a planet with craters in the bottom right; and a shooting star in the top right. Numerous small stars and dots are scattered throughout the scene. The bottom of the image is filled with stylized, swirling clouds.

WAZEL
