

ISaac

A black and white line drawing of a space-themed scene. In the center, a large rocket ship is launching upwards, leaving a long, jagged trail of smoke and fire. The rocket has a circular window and a band of small circles around its body. Surrounding the rocket are various celestial bodies: a crescent moon with a smiling face in the top left; a planet with horizontal stripes in the top right; a ringed planet (like Saturn) in the middle right; a planet with horizontal stripes in the middle left; and a large, cratered planet in the bottom right. The background is filled with numerous stars of different sizes and a shooting star with a long tail. At the bottom, there are stylized, swirling clouds. The word 'ISaac' is written in a large, bold, rounded font across the middle of the image, with the 'I' and 'S' being uppercase and 'aac' being lowercase.
