

A black and white line drawing of a space scene. In the center, the word "TWBO" is written in large, bold, rounded letters. The background is filled with various celestial objects: a crescent moon with a smiling face in the top left; a shooting star with a long tail in the top center; a planet with rings (Saturn) in the top right; a planet with horizontal stripes in the middle right; a planet with horizontal stripes in the bottom left; a planet with craters in the bottom right; and a large, detailed rocket ship with flames coming out of its engines, positioned behind the letters. The sky is dotted with many small stars and larger five-pointed stars. At the bottom, there are stylized, swirling clouds.
