

A black and white line drawing of a space scene. In the center, a rocket ship is launching upwards, leaving a large, billowing cloud of smoke and fire at its base. The rocket has a pointed nose cone and a circular window. To the left of the rocket is a crescent moon with a smiling face and closed eyes. To the right is a planet with horizontal stripes and a ring system, similar to Saturn. Below the rocket is a planet with wavy horizontal lines. In the bottom right corner is a large, cratered planet. The background is filled with numerous small stars of different sizes and a few larger, five-pointed stars. A shooting star with a long, curved tail is in the upper right. The word "BOEY" is written in large, bold, rounded letters across the middle of the page, with a thick black outline. The entire scene is framed by a simple black border.

BOEY
